Reports

President

Terry was happy to report the 3.5 Men finished first overall in their division. Congratulations to them. This is a big accomplishment.

Vice President – Marty mentioned can collection was good this season. Mike and Marty made a trip over to Sunland Village East (SVE) to drop off the entry fees for Silveridge teams entered in this tournament.

Treasurer – Mike presented his Treasurer's report. Current membership is 62. Report filed for audit.

A discussion was held on providing money to Sully and Kenny to reimburse them for gas they used to bring in the cans and purchase kitchen supplies.

Motion to provide cash to Ken (Sully) Sullivan and Kenny Tripp

Gordon McMillan / Helen Solis

CARRIED

Property Manager – No action was taken this season regarding installing a sunscreen over the bleachers in front of Court 1. The new Tennis Board will need to look at whether this is worth pursuing next season. The new board should also look at what to do about the screen on Court 3. Does it need to be expanded now that it doesn't look like Management will be putting any plants along the fence between Court 3 and the Dog Park?

Rating Committee – There are four 2.0 Ladies that have requested a rerating up to 2.5. A discussion was held on whether they should just be moved up to 2.5 or should they have to go through the rating process. A decision was made to arrange the rating process.

Web Site – All the minutes have been updated on the Website.

Team Representatives – Nothing to report.

Old Business

Red Ball Program - Terry got a message saying her application for Red Ball was received but hasn't heard anything since then. She sent a follow but no response to that either. She will have to initiate a phone call.

Honorary Captain - Shelly read out the certificates that will be presented to Laverne Johnson, Dean Whited and Meridee Dobberstein. Need to make sure these people will be at the Year End Social. Shelly will talk to Dean and Helen will talk to Meridee. Laverne was already on the list to attend.

Elections - Terry wondered if any of the Board had heard anything about anyone going to volunteer to sit on the Board. No one had.

Changes to Bylaws and Constitution - The major changes will be to add a Past President Role, redefine the Group Representatives to one male and female role and some minor changes. The proposed changes were sent out and are posted on the bulletin board.

Year End Social - This is Sunday March 8th in the Social Hall. The meal will be sandwiches, Caesar Salad and squares for dessert.

New Business

Funding Request Through Renters Association - Silveridge Tennis put in a request for funding for a VAPTR PRO ROLLER, which is the same machine that Pickleball has. The meeting for this is on Monday March 9th at 4:00 p.m.

Team Committee Registry - The Team Committee Registry (TCR) is due on April 15th. This is the record of what levels and number of teams where Silveridge will be the home team and where our players will be with other parks and the home team is there.

The 3.5 Men have several players that can move up to the 4.0 Level based on their potential Tenniscores numbers but not everyone who may be eligible wants to move up. Whatever happens here and what happens with the ratings for the 2.0 players will affect our team ratios.

Terry will be working with the new President, whomever that will be, on this.

Clean Up Day - A date for the Kitchen and Court Cleanup needs to be decided. After discussion, the date of March 26th was determined.

The meeting adjourned at 4:30 P.M.

Respectfully submitted,
Terry Easson, President
