NEW….. Tencap Tennis Rating System

Starting with the 2015-16 season all EVSTL clubs will be participating in a trial of the Tencap rating system (a Tencap rating will be required for all EVSTL matches next season as a trial). As well, our club will continue our ratings procedures as we have in the past. At the end of the 2015-16 season a vote will be taken at the March 2016 EVSTL meeting to determine whether we will continue to use TenCap or not.

For brief explanations and information about the Tencap system of player rating, please take a look at the Youtube videos below:
