CARRIED

Reports

President

Terry was approached by someone who wanted to know if we needed to have a January Information Meeting. This has happened previously but was not done last year. Terry checked into our Constitution, and it is not required. The consensus was that there was enough communication going out to the general membership that a January Information Meeting is not required.

Vice President – Marty mentioned that the can crusher machine for the taller cans broke and will need to be replaced. Sunland Village East will be hosting a tennis tournament starting on March 9th.

Treasurer – Mike presented his Treasurer's report. Current membership is 56. Report filed for audit.

Mike was happy to report that Silveridge Tennis received a donation from a person who wishes to remain anonymous. A discussion was held and the money will be used to provide pizza at the February Fun Day.

Property Manager –. The balls in the ball machine will be replaced as they are not really lasting. We will need to look at getting new balls for the ball machine once our current supply runs out. The Dog Park has started putting pavers down where the plants were taken out. Apparently, Sue from the office came down and looked at what they were doing and approved it. The problem is that the automatic sprinkler at the far side of Court 3 is facing our tennis court and causing problems. Doug will have to request this gets fixed.

Rating Committee –. Gord advised he will be doing a rating soon. Anyone can request a rating be done for them once per year. They do not need to wait for the Tenniscores system to move them up or down based on their win/loss record at the end of the tennis season.

Web Site – Rob has two invoices that need to be paid for the website. He will submit them to Mike.

Scheduling – Terry is happy to report that Don is back and will resume posting the weekly schedules on the bulletin board.

Team Representatives – Dale Hillstrom was asked if he wanted to remain on the Board as a team representative and he declined. Diane and Shelly will be the two team representatives. Terry will send something out to let everyone know this.

Old Business

Training With Bill- Bill has been working with the 2.0 Women and 3.5 Men and Women and the lessons have been well received. There are not that many signed up on the board for the groups that haven't been targeted yet (including 2.0 Men, 2.5 Men and Women and 3.0 Men and Women). Terry will be setting up something for these people right away. The intent is to provide training to each group every second week.

New Business

Honorary Captain – Shelly and Kelly Harrison have been working on criteria to honor people who have contributed to Silveridge Tennis in various ways. They will bring more details to the next meeting. Marty volunteered to sit on the committee with Shelly and Kelly.

Club Expo – Silveridge is having another Club Expo this Saturday January 11, 2026. Terry and Helen volunteered to be there to man the booth.

The meeting adjourned at 4:01 P.M.

Respectfully submitted,
Terry Easson, President
Helen Solis, Secretary
