

4.0 Team Schedule

The Silveridge Tennis Club does not currently have a 4.0 team, though we do have some 4.0 players. Until such time as we have a sufficient number of players to form a team, these players are considered "free agents" and can play on any EVSTL team that extends an invitation to them.

For the 2021-2022 season, we have four 4.0 players who play on the Sunland Village East (SVE) team, and one 4.0 player who plays on the Carriage Manor (CM) team.
